

A festive holiday still life featuring two bottles of sparkling wine, glasses, and Christmas decorations. The scene is set on a light-colored, reflective surface. In the center, a bottle of Krug Rosé champagne and a bottle of Ca'del Bosco Cuvée Prestige are prominently displayed. To the left, a silver bowl filled with ice sits next to a lit candle in a green glass holder. To the right, two glasses of sparkling wine are on a silver tray, surrounded by Christmas ornaments and another lit candle in a gold holder. The background is a warm, golden light filtering through a window with a decorative pattern. The overall atmosphere is elegant and celebratory.
